Los Angeles County is the third highest at-risk community in the United States when it comes to properties at risk from wildfire. With more than 500,000 properties that may be impacted, this program is essential for anyone living in canyons and hills throughout L.A.

Get the **411**, the **Tools**,
and the **Help** to make
L.A. safer from wildfire.

**THIS PROGRAM
IS IDEAL FOR:**

Residents
Elected Officials
Fire Collaboratives
FireWise USA groups
Fire Safe Councils
Fire Departments

YOU'RE INVITED!
Attend a virtual meeting!

JOIN THE L.A. WILDFIRE RESILIENCE ALLIANCE! (A MYSAFE:LA & LAFD COLLABORATION!)

The MySafe:LA Fire Safe Council meets on the third Thursday of each month - commencing at 7PM and typically lasting for 90 minutes. You'll learn about the **history** of important **wildfires**, see presentations on **wildfire mitigation**, **home hardening**, **evacuation**, and **how to be better prepared**.

Don't miss out on this important public safety initiative. Join us and let's get started on making your neighborhood better protected from wildfire.

Visit the website to see the agenda for each month (published a week prior to the scheduled date, including a full agenda)

The MySafe:LA Fire Safe Council for Los Angeles is supported by the California Fire Safe Council, and is intended for residents in the greater Los Angeles region. All content, unless otherwise specified is ©2022 by The Safe Community Project. All Rights reserved. www.mysafela.org/wildfire
